MARINE LIFE ENCOUNTER

The ultimate experience!

Imagine being able to feed sting rays on a privately escorted tour of the aquarium including behind-the-scenes!

This VIP experience takes you on an exclusive guided tour with a wildlife educator through the Aquarium and shows you the behind-the-scenes workings of the Cairns Aquarium. You will get views and explanations of the fish food preparation rooms, innovative plant and equipment that filters the millions of litres of water on site, coral propagation facilities and a stop at the onsite turtle hospital to see how we care and rehabilitate sick and injured sea turtles before they are released.

You will also enjoy a scatter feed to the outback river monsters and hand feed the gentle Cownose rays.

Monday - Saturday

11:30am - 2:45pm

ADULTS (15+ years) \$299

CHILD (3-14 years) \$149

- Minimum two adults for tour to operate
 - Children must be 12 years or older to feed the rays
 - 24 hours notice required.
- Subject to availability

AQUARIUM BY TWILIGHT

As the sunsets across Far North Queensland; witness the transition of behaviour, where our day time wildlife start to get ready to rest for the night and nocturnal predators begin to stir.

This tour offers an incredible insight into the behaviours of animals, particularly at dusk, where wildlife will be exhibiting adaptations to prepare for the dark night that awaits them.

- Exclusive after-hours entry to the Cairns Aquarium on a 2 hour guided tour with a wild life educator
- Come face to face with sharks, rays, groupers and other predators of the sea
- Choose from a guided tour or guided tour and 3 course dinner in the Aquarium's aquatic themed Restaurant
